

Southern California Speedboat Club Racing

ATTENTION VENDORS

To all Vendors:

All vendors planning on selling any of your products during the Long Beach Sprint Nationals must have a valid business license for the City of Long Beach.

Arrangements have been made for a two-day business license for use during the event. These special licenses are available from the City of Long Beach by calling (562) 570-6211 or going to their web site at: www.longbeach.gov.

Please get your business license way in advance of the event to avoid any delays. NO business licenses will be sold at the event!

Thanks for your cooperation!

Ross Wallach, Commodore/Race Director
